

Charity Care/Financial Assistance Application Form Instructions

This is an application for financial assistance (also known as charity care) at Whitman Hospital & Medical Center.

Washington State requires all hospitals to provide financial assistance to people and families who meet certain income requirements. You may qualify for free care or reduced-price care based on your family size and income, even if you have health insurance.

Whitman Hospital & Medical Center accepts applications for financial assistance for all services offered by the hospital. For non-emergent services, you are urged to apply prior to care being provided. To be eligible for assistance, you must have a family income and liquid assets at or below the levels listed in the table below. The actual bill reduction offered, if any, is determined according to your family income, family size, assets, and expenses.
